
KYB TECHNICAL REVIEW

No. 56 APR. 2018

CONTENTS

Foreword

Seeing is believing YAMABE Masashi 1

Editorial

Trend and Outlook of Hydraulic Technology SAKAMA Sayako 2

Essay

KYBT Expat Experience Report SETOGUCHI Kazuhiro 6

Memory, Foundation of KCH: [KCH: KYB (Kayaba) Cylinder High Pressure]
HARA Sadaaki 10

Explanation

Application Examples of Data Mining TAKAMATSU Shinichi 16

Technology Introduction

Research on Excavator Posture Estimation Technology with Image Processing
OMOTE Masaya 22

Development of 2D Code Marking Technology with Machining Center KASUDA Takaaki 26

Development of 3D Dimension Inspection Device with Image Processing HARADA Kouta 30

Development of Electric Power Steering Evaluation System ANDO Koji 34

MUROHASHI Atsuo
FUJIKAKE Mitsuhiko
HORI Takeshi

Product Introduction

Development of Electric Power Steering Responsive to Next-Generation Needs
MATSUMURA Ryoichi 44

High Pressure Aluminum Vane Pump for Power Steering of Trucks SHIOZAKI Hiroshi 48

Glossary

“Making KYB Vane Pumps into a Series Product” MIYAZAKI Harumitsu 52

Product Introduction

Hydraulic Track Motor for 20t Class Excavator SUGIMOTO Junichiro 53
SAKAI Yuki

Development of Furniture Overturning Prevention Damper UNE Masaya 59

Development of New Controller for Impulse Test Stand YOSHIMURA Yuki 64

Semi-Active Suspension, Extending the Limits Alexander Alonso Torres 68

Development of Inverted Front Fork for Small- and Mid-Sized Motorcycle
OZAKI Kosuke 74
MIYAUCHI Yoshihiko

Introduction

JOURNAL OF ASIA CROSS COUNTRY RALLY TANAKA Kazuhiro 78

(Cover Photograph: Shock Absorber for Asia Cross Country Rally [see. 78], Furniture Overturning Prevention Damper [see. 59], New Controller for Impulse Test Stand [see. 64])
