# KYB TECHNICAL REVIEW

No. 56 APR. 2018

## CONTENTS

### Foreword

Seeing is Believing YAMABE Masashi 1

### Editorial

Trend and Outlook of Hydraulic Technology SAKAMA Sayako 2

### Essay

KYBT Expat Experience Report SETOGUCHI Kazuhiro 6

Memory, Foundation of KCH: [KCH: KYB (Kayaba) Cylinder High Pressure]  
HARA Sadaaki 10

### Explanation

Application Examples of Data Mining TAKAMATSU Shinichi 17

### Technology Introduction

Research on Excavator Posture Estimation Technology with Image Processing  
OMOTE Masaya 24

Development of 2D Code Marking Technology with Machining Center KASUDA Takaaki 28

Development of 3D Dimension Inspection Device by Image Processing HARADA Kouta 32

Development of Electric Power Steering Evaluation System ANDO Koji 37

MUROHASHI Atsuo  
FUJIKAKE Mitsuhiko  
HORI Takeshi

### Product Introduction

Development of Electric Power Steering Responsive to Next-Generation Needs  
MATSUMURA Ryoichi 43

High Pressure Aluminum Vane Pump for Power Steering of Trucks SHIOZAKI Hiroshi 47

### Glossary

“Making KYB Vane Pumps into a Series Product” MIYAZAKI Harumitsu 51

### Product Introduction

Hydraulic Track Motor for 20t Class Excavator SUGIMOTO Junichiro 52  
SAKAI Yuki

Development of Furniture Overturning Prevention Damper UNE Masaya 58

Development of New Controller for Impulse Test Stand YOSHIMURA Yuki 64

Semi-Active Suspension, Extending the Limits Alexander Alonso Torres 68

Development of Inverted Front Fork for Small- and Mid-Sized Motorcycle  
OZAKI Kosuke 73  
MIYAUCHI Yoshihiko

### Introduction

Journal of Asia Cross Country Rally TANAKA Kazuhiro 77

### Editors Script
