

KYB to Exhibit at InnoTrans 2016

KYB will exhibit at InnoTrans 2016, held September 20–23 at Messe Berlin, Germany.

At our exhibit, the railroad product technology that KYB has been dedicated to developing over many years will be on display.

Please join us at our booth, where we will share our drive to further develop transportation technology.

- Date: Tuesday, September 20 to Friday, September 23, 2016
- Location: Messe Berlin, Germany
- Products on display: Actuators, Semi-active suspension systems, Caliper brakes with tread cleaning systems, Passive dampers
