Thank you for visiting us at CIAME 2018

KYB Corporation held an exhibition at CIAME 2018. The event ran from Friday, October 26 to Sunday, October 28, at the Wuhan International Expo Center in Wuhan, China. We exhibited a wide range of hydraulic equipment and products for use in agricultural machinery.

We'd like to express our gratitude to the many attendees who visited the booth. We received the opinions and requests of our visitors at the exhibition, and will apply them to our efforts toward creating better products in the future.
